About Dyuti

Dyuti 2024 is a three-day cultural immersion program designed for international students in India, offering an unforgettable experience at IIT Kharagpur.

For the nominal fee, participants will enjoy:

Academic Program:

Gain exclusive access to IIT Kharagpur's world-class research labs and expert-led educational courses.

Interactive Workshops:

Explore Indian art, culture, and heritage through hands-on sessions led by skilled artists.

Campus Exploration:

Take part in a guided tour of IIT KGP's vast 2,100 acre campus with fun activities like star gazing, yoga, cycling, and sports.

Festive Celebrations:

Your chance to witness Illumination and Rangoli, a one of a kind event at IIT Kharagpur followed by a mesmerizing lantern ceremony on the occasion of Diwali.

Premium Stay:

Comfortable arrangements at guest house with authentic Indian food, with transport within and outside the campus.

Events

Thoughtfully crafted itinerary designed to enhance your stay with engaging experiences

Yoga

Learn the Indian practice of yoga for holistic wellness

Cultural Night

Vibrant celebration of Indian traditions through performances

Curated Courses

Specialised courses by industry-leading experts

Campus Events

Explore the campus and engage in social and network

Technical Workshops

Discover diverse technical workshops with IIT KGP's innovative societies

Indian Cuisine Workshop

Master the art of preparing authentic Indian cuisines

Who can apply?

All foreign nationals currently in India registered as short term or degree students in recognised Indian universities/institutes.
